An IUC of UGC, Ministry of Education
Infocity, Gandhinagar, Gujarat, India

ABOUT OPEN DAY

The Centre planned to celebrate its First Open Day as an annual event on 16th May 2024. The purpose of the open day is to showcase the research activities and projects the centre executed and provide visitors with an opportunity to learn about the centres research activities and achievements. It is also an opportunity for the Centre to engage with the public, Library and Information Science Professionals, Research Administrators, and Students and to build collaborations with them. It allows visitors to meet the scientists and technical team behind the projects, ask questions, and better understand the Centre's work. It is a day-long event which includes exhibitions, quizzes, ideation, and interaction with academicians and the student community.

ABOUT INFLIBNET

The Information and Library Network (INFLIBNET) Centre was established as a project of IUCAA on 27th February 1991. It was recognised as an independent, autonomous Inter-University Centre (IUC) of the University Grants Commission (UGC) in May 1996. It is located at Infocity, Gandhinagar, Gujarat. Major activities and services of the Centre are geared towards the modernization of academic libraries in information centres to promote information transfer & access, to support scholarship, learning and academic pursuits. The Centre acts as a nodal agency for networking libraries and information centres in universities, higher learning institutions, and R&D institutions in India.
